

# Cancer Fighters® MEMBER RESOURCE GUIDE

## GET SUPPORT

We would like to thank you for being a valued member of Cancer Fighters. We appreciate all that you do to create a spirit of camaraderie, which lies at the heart of our mission.

As a member of the Cancer Fighters community, you have access to exclusive resources to support you, whether you are newly diagnosed with cancer or seeking to support others through their journeys.

### On-site and virtual events

Cancer Fighters offers a variety of events onsite at Cancer Treatment Centers of America® (CTCA), as well as virtual events to participate in from the comfort of your own home. These events not only provide a fun break from treatments along with new knowledge and information, but also allow you to connect with other Cancer Fighters members.

### Community Support Organization partnerships

Cancer Support Organizations, often located within your own community, can help answer your questions, provide encouragement and connect you with others fighting cancer. While we encourage you to research which organizations meet your needs, we are available to connect you with a few of our partners. Contact your local Cancer Fighters team to learn more or visit [cancerfighter.com](http://cancerfighter.com).

### Supportive materials

[Cancerfighter.com](http://Cancerfighter.com) offers a number of online resources, including blogs on cancer-related issues, health tips, and news for cancer patients and their families. Additionally, printed resources are available at your local Cancer Fighters Corner.

### Cancer Fighters Care Net

CTCA® patient and caregiver volunteers are available to speak with you - to share their stories, answer your questions and offer you and your loved ones objective advice and ideas. We call this team Cancer Fighters Care Net (CFCN). To connect with a CFCN member, email [cfcn@ctca-hope.com](mailto:cfcn@ctca-hope.com).

### Online Community

Cancer Fighters members are invited to join and participate in online community groups on [cancerfighter.com](http://cancerfighter.com) to discuss common interests and a variety of topics.

### Share Your Story

Share your story with others through the Cancer Fighters Story Builder app. Story Builder will ask you a series of questions to help you document your story, so you can use it to inspire others.

### Support other Cancer Fighters

Speak to new patients and caregivers about your experience at CTCA and cancer, help ease concerns, answer questions and remove some of the "fear of the unknown". Contact your Cancer Fighters team to learn more.

### Concierge-Level Access to CTCA

The Community Engagement and Outreach Team (CEOT) offers concierge-level access to those you have referred to CTCA. Whether you are speaking to someone on the phone or striking up a conversation about your cancer journey with CTCA at a social event, CEOT is available to assist you.

To contact CEOT, call **844.97.FIGHT** or email [ceot@ctca-hope.com](mailto:ceot@ctca-hope.com).
