Hope®

CANCER CENTER  
ATLANTA

# For Providers

## About City of Hope

City of Hope® is one of the largest cancer research and treatment organizations in the nation with locations in California, Arizona, Illinois and Georgia. Founded in 1913, City of Hope's flagship hospital in Duarte, California, is one of the nation's top 10 hospitals for cancer and a National Cancer Institute (NCI)-designated comprehensive cancer center. This location is the hub for novel research and innovation, leading to the development of groundbreaking treatments.

With an independent, NCI-designated comprehensive cancer center at our core, City of Hope exports the innovation and expertise across our coast-to-coast clinical care network, which includes hematology and bone marrow transplantation programs, advanced surgical oncology, clinical trials, advanced precision medicine and cellular therapies. City of Hope brings a uniquely integrated model to patients, spanning cancer care, research and development, academics and training, and innovation initiatives.

## OUR PLEDGE to Referring Providers

City of Hope Cancer Center Atlanta will:

- ✓ Provide an easy and efficient process for your patient referrals.
- ✓ Maintain a dedicated referral phone number: 770.400.6568.
- ✓ Treat your patient with the highest degree of respect and care.
- ✓ Ensure an efficient and timely insurance verification process.
- ✓ Promptly schedule your patient's appointment.
- ✓ Provide you with helpful access to the physician treating your patient.
- ✓ Swiftly respond to your requests for patient status updates.
- ✓ Collaborate with you to appropriately and deliberately transition patients back to your care.
